EDUCATION

Bachelor of Arts in Creative Media

Graduating May 2025

Loras College, Dubuque, Iowa

EXPERIENCE

Freelance Photographer & Videographer

September 2023 – Present

- I oversee a diverse portfolio of photography and videography projects throughout the Dubuque Tri-State area. Collaborating with organizations such as Woodward Communications, Invasive Media, and Loras College, I create high-quality content tailored to a variety of clients and events.

Sports Media Intern

Loras College

August 2024 – December 2024

- Responsible for capturing high-quality sports photography across various events, writing engaging recap articles, and organizing and archiving images for future use.

Multimedia Intern

Telegraph Herald/Woodward Communications

February 2024 – August 2024

- Launched and managed Instagram and TikTok pages, gaining hands-on experience in content creation, audience engagement, and real-time field photography and videography.
-

SKILLS & STRENGTHS

- **Technical Skills:** Proficient in Adobe Premiere Pro and Photoshop, with hands-on experience in both videography and photography, specializing in sports-related content.
 - **Communication:** Extensive training in public speaking and written communication, with a proven track record of delivering engaging presentations, writing original works, and earning awards for creativity.
 - **Team Collaboration:** Skilled at building strong professional relationships and collaborating effectively with teams to achieve shared objectives, both in work and academic settings.
 - **Time Management:** I demonstrate excellence in time management, consistently achieving top evaluations for efficiency and task prioritization in my current role.
 - **Organization:** I am experienced in coordinating team meetings, developing agendas, and ensuring the smooth execution of objectives through meticulous planning and organization.
